INFLATABLE BOAT

INFLATABLE BOAT - DYNAMIC

Best of Both Worlds
Integrated hull and transom for extra strength and stability. Extra cargo room. Ideal strength to weight ratio.

Solid and Stable
Sturdy design. Rigid construction. And hull strength that holds its own when compared head-to-head with conventional craft. All with the exceptional stability of an inflatable boat.

End the Storage War
The Dynamic RIB is made to last. Durable down to the last detail. And with an incredible strength-to-weight ratio, it can hold all the cargo you need to make your excursion a success.

INFLATABLE BOAT - ADVENTURE

Seek Out Adventure
Rugged construction. Serious features. Fishing to backwater birding. Pure outdoors, starting with the color green.

Versatile. Robust. Ready.
The Adventure series. Made for nature lovers and outdoor types. Built strong for rough conditions. Perfectly adapted for thrills on the water.

Conquer the Outdoors
An exceptionally resistant aluminum floor comes standard. Rounded cones maximize the interior. So nothing gets in the way of your and your adventure.

INFLATABLE BOAT ROLL UP

Ship-to-shore is there. Just grab and go. Trailer or fun at the lake. Just set-up. Easy storage.

Roll Up and Roll Out. Compact, lightweight, maneuverable. With quick and easy assembly and disassembly for extra stability. The Roll Up is an ideal ship-to-shore tender.

Family Friendly. Perfect fit for the family on the go. Always ready for a fun day on the water.

Quick Getting. No trailer or special equipment. Setup time of mere minutes. Get out and get underway.

INFLATABLE BOAT SPORT

Leading Performance. Advanced Capability.
Tough, durable, fiber-reinforced polymer floorboards. Strong, rigid, more control, more fun.

Aerobic Maneuverability.
When it comes to maneuvering on the water, go Sport. The ideal alternative to aluminum and fiberglass boats, combining portability and economy without compromising performance.

All Purpose Fun.
The Sport is great for water skiing, tubing, wakeboarding, and more. The Sport is the perfect choice for those who want the best of both worlds: a fun, fast, and maneuverable inflatable boat with the performance of a conventional boat.

Active from the Water.
Fiber-reinforced polymer floorboards for long-lasting buoyancy, flexibility, and better thermal conductivity. These separate interior air chambers and one solid floorboard for greater and safer stability.

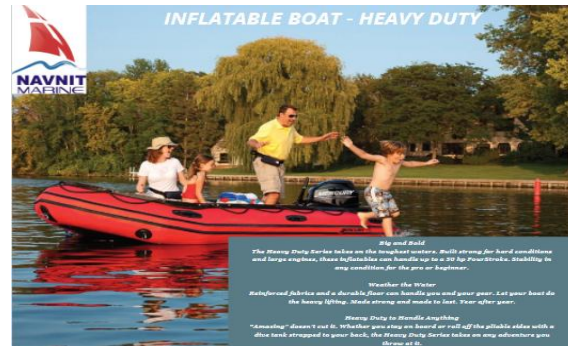

INFLATABLE BOAT - M Series

Full-Featured Style
The decked-out inflatable. Bow rails, coolers, integral fuel tank, the total package. Right down to the Mercury FourStroke engine.

The Whole Package
Perfect for a day out with the family or getting to shore for a dinner on the sand. Built to impress from bow to stern.

Dressed to Impress
A list of features and add-on options like none its class. Get where you're going. Look good doing it.

INFLATABLE BOAT - HEAVY DUTY

Big and Bold
The Heavy Duty Series takes on the toughest waters. Built strong for hard conditions and large engines, these inflatables can handle up to a 90 hp FourStroke. Stability in any condition for the pros and amateurs.

Weather the Water
Kevlar and fabric can handle you and your gear. Let your boat do the heavy lifting. Made strong and made to last. Year after year.

Heavy Duty to Handle Anything
"Amazing" doesn't cut it. Whether you stay on land or roll off the pitchin' sides with a die-hat strapped to your back, the Heavy Duty Series takes on any adventure you throw at it.

Fundamentals of Navnit Marine: Core Operations

Our operational excellence is built on a foundation of meticulous management, stringent safety protocols, and a deep commitment to environmental stewardship.

Docking & Berthing Management

Efficiently manage berths, slips, and vessel movements.

Infrastructure Maintenance

Ensure optimal condition of pontoons, jetties, and essential amenities.

Safety & Compliance

Strict enforcement of marina rules, navigational safety, and regulatory adherence.

Environmental Management

Prioritize waste management, water quality, and eco-friendly boating practices.

Fundamentals of Navnit Marine: Elevating the Experience

Beyond core operations, Navnit Marine focuses on delivering exceptional customer service and fostering a vibrant marine community, ensuring every interaction is seamless and enriching.

Premier Customer Service

Offering fueling, provisioning, concierge services, and seamless customs/immigration assistance for a hassle-free experience.

Strategic Marketing & Engagement

Utilizing social media, boat shows, partnerships, and loyalty programs to cultivate a thriving marine community.

Commercial & Administrative Acumen

Managing berthing fees, memberships, retail, repairs, vessel logs, and financial reporting with utmost transparency.

Enhanced Beach & Water Sports Facilities

Comprehensive beach and water sports management, complemented by professional lifeguard facilities for ultimate safety and enjoyment.

Thank You

We look forward to collaborating on India's Marine Growth Journey.
